Where'd you go now?  
Well beyond the reach  
Of those of us here  
Do you still know now  
Who you were, and those you held dear?

Are you alone now?  
Or do you run with those  
Who passed before you?  
Should we have known now  
Life is preordained  
The best we can do

Is live every moment  
Grateful for all that we have  
And seek those who fill up our days  
With light, and joy.

I think it's so now  
That we exist beyond  
This physical state  
So fare thee well now  
Until we meet again  
According to fate.

So this dedication  
To preserving your mem'ry, my friend  
Is a celebration  
'Til we'll meet again, just around the bend

Just around the bend  
Up around the bend  
Somewhere 'round the bend.
