There's a hint of promise, baby Gm F
Deep inside your eyes
There's a trace of magic
That the darkness can't disguise.

A man just can't help himself D# (6th fret) A#m (6th fret)
When under such a spell
He's captured by the moment
And only time will tell. C D

Tell me what's the mystery, baby
What you trying to hide
Tell me what I need
To help you calm the storm inside?

A man likes to fool himself
And think he's in control
He's caught up in the moment now
And still the last to know.

Right from the start G D
A man likes to think that he's in charge Em G (10th fret)
Chasing the heart
Following footsteps in the dark
What foolish men we are
To think it's we who hold the cards
We seek, but never learn
Past the point of no return. Gm F
