A fresh start  
In the palm of your hand  
A second chance  
Who could predict the circumstance?  
It ain't accidental  
These awkward turns that our lives take  
Nothing's inconsequential  
But don't give in to fate  
There ain't no such thing as fate.

This life  
Should be something we plan  
And these dreams  
Yeah, they can be at our command  
Don't tell me I'm crazy  
'Cause I believe it's not too late  
I've seen nothing to make me  
Just give it up for fate  
There ain't no such thing as fate.

Some say life is a circle  
As if we ride on a wheel  
But that just doesn't line up  
With what I see and feel.  
If the past is your baseline  
And the present your path  
The future moves ever onward  
Without coming back (coming back)  
Without coming back (coming back).

Perhaps then life is a river  
Or an arrow in flight  
Moving on, ever onward  
Ever on to the light.  
Ever on to the light...
