Well you see things your way
An' I still see them mine
If it's all the same I won't waste my time
I'll go and play my songs in a three-man guitar band
But I'll let you know if I ever need a hand.

All I'll ask you to do
If you're ever looking back
Think of me
'Cause you know
If I'm ever coming back
I'll look for you.

My brothers tell me it's a sin to sit around
You're doin' me no good
You're just dragging me down
Stand up, get up, pack my bags and walk away
An' save my thoughts of you for some other rainy day.

All I'll ask you to do
If you're ever looking back
Think of me
'Cause you know
If I'm ever coming back
I'll look for you.

Well you see things your way
An' I still see them mine.
