

Laugh Out Loud

It was raining
Oh yeah, I can still remember
On a Sunday
You see, the weather never changed too much
We watched the storm clouds
Wondering how long they'll come down
So long – don't you know it's been so long.

Won't you laugh out loud?

Se we ended up walking
Oh, I think we both had something to say
But I don't think I've ever been so cold
As I was that day
You told me softly that to love's the only way
And I believed you – I believed.

Come on, and laugh out loud.

You know, I think I'm changing
Oh, but I don't want to scare you none
It's just from living alone and knowing
Knowing no one
Our lives, they change so fast
And you know I just can't keep up
Babe, I'd say I love you
But it's not enough
No, it's not.

Try to laugh out loud.

Sometimes I feel so helpless
It don't seem like there's nothing I can do
That won't change the way I feel for you
Maybe we'll leave it
Don't you know I can live my life alone
But given the choice girl, I want a home

Do you know what it means
Do you know what it means to have a home
Did you ever think about it
Did you think about me like I thought about you?
